Writing

There is a common opinion that the book is always better than the film made from it. It is very controversial statement. Actually quite often it is, but there are excaptations. A lot of film makers are inspired of some books and shoot the movies trying to show their own vision of the happening. They add new details and that's what fans of origins story usually don't like. They want to see only

14

what was going on in the book and the attempt to change important moments doesn't impress them. To my mind that's not really something bad, on the contrary the fresh vision is interesting. 107w.
